The Total Solution for Pool and Spa Access

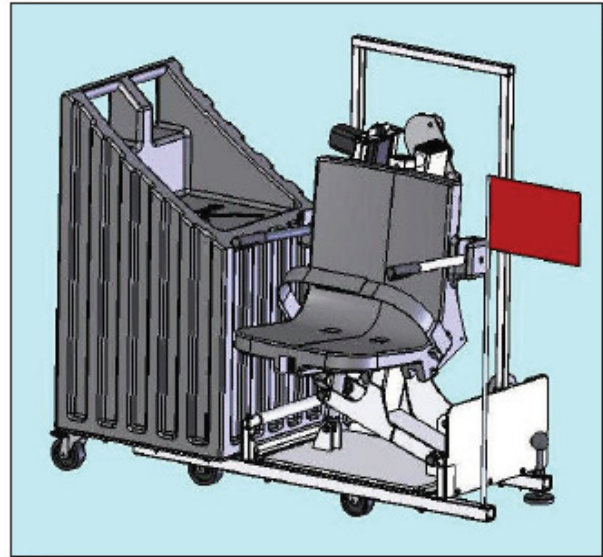

The Rebel Portable™ Lift

Item# F-2PR

The Rebel Portable™ Lift is Aqua Creek's newest portable lift. With a lifting capacity of 300 lbs., it meets all requirements for the new ADA standards, and makes a great economical solution for facilities looking to become ADA compliant.

This lift requires no anchors and can easily be removed from poolside when not needed. It features a compact, low profile frame that does not intrude into the pool when not being used. A unique sliding mechanism allows the lift to be transported easily on its cart and then lowered onto the pool deck for use without using any fastening hardware.
